## INTERNET ADVERTISING RELOADABLE GIFT CARD

\$1 Billion Potential Annually.

**Question:** Is this not too good to be true? Who makes this kind of insane money?

**Answer:** The proofs are out there with so many news media reporting that some online advertising businesses were raking in well over \$1 billion a year, that's over \$100 million (USD) monthly revenues.

**Yes, it's true and they still do make more than that.** Even in this global recessionary period.

\$100 million monthly income is only the recession period kind of income to them.

To them, \$100 Million monthly revenue means that the market is getting very very slow!

Remember, It's not in another world. It's in this world that you and I are living in. On this planet Earth.

One single company, many of them of course, are generating well over \$700 Million each in revenues every single month while some Joe Do-nothing depend

on a \$600 a month government unemployment check.

**Yes, \$1 Billion a year income is insane. it's like sand bags (hard to count manually)but people/companies are TRULY making that much money IN ONE SINGLE YEAR.**

## BE OUR GIFT CARD WHOLESALE DISTRIBUTOR.

**Make \$40,000 - \$200,000 in your first 3 - 4 months and a steady income of \$25,000 - \$125,000 monthly thereafter.**

## HOW OUR GIFT CARD DISTRIBUTION SYSTEMS WORK

**This Program is called: "My Cash Vending" Distributor---MCV. It is very real, huge cash rewarding and legit**

Are you looking for a real Opportunity where you will be able to work from your home but NOT MLM?

Can you imagine yourself with the earnings of OVER \$17,000 Cash in as little as 30 -90 days from the day you signed up for the program?

....Plus be getting paid up to \$10,500.00 (Nine thousand USD every month for 12 month while you did absolutely no work for the \$10,500.00 monthly income for 3 years and still, it is not a Network Marketing or an MLM Program?

Without wasting too much time, let go straight to the point and we'll show you how this works and how it'll work for you.

### **How the system works:**

Have you ever heard about Vending Machine business. Wait, this business here is not a vending Machine business. I just wanted to draw my illustration from it.

You know that with vending machine distribution systems, you'll leave your machines, at say for example, 100 locations. Once a week or so, you'll visit your locations, pick up money for the sold item and re-fill the machines' inventory. Therefore, your income is incoming or coming in from 100 locations daily, weekly or monthly BUT IT'S WITH HARD WORK to be making all your rounds of visits.

The opportunity here, however, is similar but with LESSER HARD WORK, your income will be coming to you from 350 locations, NOT MACHINES TO BE PLACED AT THOSE LOCATIONS and no refill is required by you, your customers can contact us directly to get their inventory refilled but we will be paying you money for THREE (3) CALENDER YEARS.

**Question:** If this isn't vending machine biz, then what is it?

**Answer:** The business is MEDIA...and it is very huge.

**The internet is a new branch of the MEDIA Industries and it (dot.com internet business) not only here to stay, it is getting very huge, very faster and bigger. We are giving you a huge piece of the action and as your own boss**

# BE OUR GIFT CARD WHOLESALE DISTRIBUTOR.

**Make \$49,000 - \$245,000 in your first 2 - 6 months and a steady income of \$25,000 - \$125,000 monthly thereafter.**

(CONTINUES)

**NOW, HERE'S WHAT WE'LL DO FOR YOU:**

**(a) We'll send you 1,000 - 5,000 of this gate4deal VIP ad. gift cards.(See above)**

This Card is pre-loaded with \$49 ad cash and it is used by our advertisers TO PLACE THEIR PAID ADVERTISEMENTS @ [www.gate4deal.com](http://www.gate4deal.com) Deals & Bargain Center.

\$49.00 monthly is very cheap compared to our competitors' pricing.

**Also, other than online advertising alone, we plan to add other benefits, privileges & uses to the card in a very near future**

**THIS CARD IS A HOT & FAST MOVING CONSUMERS' ITEM**

(b) We'll send you leads of potential buyers every week. You can also find your own buyers. It's easy. P. 5

## **HOW DO I MAKE THE MONEY. \$49,000 - \$245,000 FIRST 60 - 180 days & UP TO \$25,000 - \$125,000 EVERY MONTH?**

We'll let you dispose of them by disposing of all the 1,000 or 5,000 cards for \$49.00 each retail price.

That's  $\$49.00 \times 1,000 - 5,000 = \$49,000.00 - \$245,000.00$  and you can pocket / keep the money...\$49,000.00. It's yours.

You can do this or achieve this task of selling the cards and making the \$49,000.00 from 1,000 cards or \$245,000 from the 5,000 cards within 60 to 180 days easily.  
( our support staffers will guide & help you)

**No gimmicks & No fine prints . Start making real money in real time. Start building your cash vending now.**

## **HOW DO I CONTINUE TO MAKE MONEY EVERY MONTH?**

That's EASY!

Once you've established your 1,000 - 5,000 accounts /advertisers, (with our support staffers help of course) whenever any of these 1,000 - 5,000 accounts, posted money into their pre-loaded cards or renew their advertisements, we'll send you \$25.00 monthly for each time they reload or renew the card for one year.

# BE OUR GIFT CARD WHOLESALE DISTRIBUTOR.

**Make \$49,000 - \$245,000 in your first 2 - 6 months and a steady income of \$25,000 - \$125,000 monthly thereafter.**

(CONTINUES)

Remember that the cost for advertising online at [www.gate4deal.com](http://www.gate4deal.com) Deals & Bargain Center is only \$49 monthly which is very affordable.

**We found that a lot of our advertisers would pay (\$49.00 x 12) = \$588 for a one year of advertising privileges at our media network EASILY.**

In comparison, \$588 is what they were or would pay for only one week at our competitors' network. We are very competitive and affordable.

**Please be mindful that yes, we could raise our price in the future but \$49.00 is what we charge at the present moment and there is neither any misleading, gimmicks nor fine print when it comes to our advertising fee.**

They ( your customers) could pay the entire \$588 for one, \$1,176.00 for two or \$1,764 for three years coverage or pay the \$49 every month.

Once they renew their adverts beyond the one month for \$49, we'll send you \$25.00.

We'll keep only \$24.00 and you do not have to do any work in order to earn this \$25.00 other than phoning and reminding your clients to renew their adverts.

**Note: We said 'up to' \$125,000 monthly income**, the reason for the "up to" clause is that if for some reasons some of your 1,000 - 5,000 accounts did not advertise for ALL the 12 additional months. For example, business that are seasonal will only advertise for about 4 -6 months in one year.

2 months before their season arrives and 4 months during their seasons....you'll still make a huge cash a year

**Moreover, only a very little # of businesses out of the over 17 million advertisers out there are seasonal. 99.3% of them are not seasonal or some of them has more than one businesses. Your market is solid**

This business is so simple to do and the income so amazing, yet, it is not a network marketing or an MLM.

For instance, sell only 12 or 60 cards a day and in 90 days, you'll pocket \$49,000.00 OR \$245,000 plus you've established 1,000- 5,000 my cash vending accounts for yourself.

## **HOW POSSIBLE AND REALISTIC IS IT TO SELL 12- 60 CARDS A DAY?**

That's easy. Simple put 10 - 50 cards each at about 100 locations . Place a small ad. in your local newspaper. When customers call you, refer them to any of your 100 locations/stores.

Also, give us the list of stores where your card are displayed to be sold and we'll advertise the locations for you as well

**if you sell only 3 cards per month from each of your 100 locations, that's \$49.00 x 300 = \$14,700 per month income.**

## BE OUR GIFT CARD WHOLESALE DISTRIBUTOR.

**Make \$49,000 - \$245,000 in your first 2 - 6 months and a steady income of \$25,000 - \$125,000 monthly thereafter.**

(CONTINUES)

**if you sell only 3 cards per month from each of your 100 locations, that's \$49.00 x 300 = \$14,700 per month income.**

You are free to make a deal with those store. Pay them any amount you wished

For example, whenever their stores help you sell the cards for \$49, you can pay the store owner about \$5 - \$15.

You must make your deal with them before you leave the cards with them on consignment.

Remember that, your customers will NOT need to go back to the store to purchase the card next month or the following month. They can contact you or our office directly in order for them (your clients) to reload the card & renew their adverts etc.

YES, I AM INTERESTED!  
WHAT IS THE COST (OR CAPITAL REQUIRED) TO BECOME A **Gift Card Wholesale Distributor ?**

Cost is only USD \$5,000 for 1,000 cards (One time payment. Not \$5,000 monthly) OR

\$20,000.00 for 5,000 gift cards

The Card comes inside a good looking business envelope along with all the activation instruction /flyers inside

**Here's your sure bet chance to make \$49,000 - \$245,000 in your first 2 - 6 months.**

# Up to \$7 Million dollars income in only 48 months / 4 years. Do they make this kind of money with a dot.com business?

Yes, they do. A good and well established dot.com business would generate at least \$50 million monthly.

**You see, unlike newspaper, which could be too big to carry, internet dot.com is never saturated. It can contain even 20 million advertisers and still not crowded.**

**THE BUSINESS IS THE MEDIA**

I read from so

many news media that some online advertising businesses were making over \$1 billion a year, \$100 million monthly revenues. How can I get my own share?

**Here's my answer:**

Yes they still do, even in this global recessionary period.
